WORKSHOPS AT

Partnership Proposal 2019

The aim of the workshop is to promote diversity in IT, education, community building and motivating women to start their own projects.

TIME AND PLACE

The PyLadies workshop will take place on the 11-13 of September in HotelVilla Verde Congress & Spa **** in Zawiercie (<https://www.villaverde.pl/>) alongside PyCon PL 2019 conference.

TARGET GROUP

The workshops is aimed for people (especially women), who are at the beginning of their adventure with programming.

SUBJECT AREA

The basics of programming in Python: introduction to language syntax, data structures, standard library and exceptions handling.
