

SPONSORSHIP OFFER

2025

WORKSHOP GOALS

The aim of the workshop is to promote diversity in IT, education, community building and motivating women to start their own projects.

TIME AND PLACE

The PyLadies workshop will take place on the 27-28 of August in Gliwice alongside PyCon PL 2025 conference.

TARGET GROUP

The workshops is aimed for people (especially women), who are at the beginning of their adventure with programming.

SUBJECT AREA

The basics of programming in Python: introduction to language syntax, data structures, standard library and exceptions handling.
